Introduction

I live in Budapest and have been working in office jobs for over 10 years.

I studied Frontend Development at the Ruander Oktatóközpont, where I successfully passed the exam.

After the training, I obtained a Junior Frontend qualification OKJ certificate.

Currently, I am studying Web Development at the Ruander Oktatóközpont.

I learn quickly and enthusiastically, aiming to establish myself in the field.

My own website, where all information and project websites can be found: www.ngaborwebdev.hu
